

Stay ChatTY School Program

Evaluation Report December 2017 – October 2018

**We visited
16 schools
around the
state**

55 student sessions
18 teacher sessions
11 parent sessions

1066

people attended the Stay ChatTY School session

Students - How much do you know about mental health?

Before the session

Nothing **2%**
Not much **19%**
A bit **62%**
A lot **17%**

After the session

Nothing **1%**
Not much **4%**
A bit **30%**
A lot **65%**

85%

of teachers and parents strongly agree this is appropriate information for young people to know.

80%

of teachers and parents said they now know a lot about recognising signs of mental health issues and suicide in young people.

“IT WAS A REALLY COMFORTABLE PLACE TO BE AND THE INFORMATION WAS RELEVANT AND HELPFUL.”

STUDENT

“REALLY USEFUL FOR YOUNG ADULTS. BUILDING RESILIENCE IS A MAJOR ISSUE FOR STUDENTS ENTERING SECONDARY COLLEGE.”

TEACHER

“TALKING WITH OTHER PARENTS IS REALLY COOL. THE PRESENTERS ARE WONDERFUL, PERSONABLE AND VERY APPROACHABLE.”

PARENT
